Dear Mr. Baker,

As the Registrar of Corporations for the Federated States of Micronesia, I am excited about the prospects of working with companies and individuals from other countries that may want to establish a corporation in the Federated States of Micronesia. I pledge that my Office will do its best to respond quickly and professionally to establish these corporations and do any requests from the directors. In order to provide better service to these and other registrants, the Registrar's Office was recently expanded by the hiring of an Assistant Registrar of Corporations.

Please keep me informed of your activities. I wish you all the best in your endeavors in promoting the FSM Corporate Registry.

Best Regards,

Valerio Hallens
FSM Registrar of Corporations
